Dear Sir:

In response to the Office Action mailed April 1, 2004 applicant elects Invention II Species of claim 25. Readable on the species are other claims in the group, including claims 18-24 and 30-33. Support for claim 25 may be found in the specification on pages 5-6, and in figures 9-15.

I am requesting a four month extension for responding to the above-mentioned Office Action, and am including a \$740 extension fee. I certify that I placed this in the mail on 8/23/04.
